Susan's workshop was truly inspiring, uplifting and motivational! She really knows how to help people direct their energy and focus on what they want to create! Susan is an awesome asset to anyone wanting to expand their life in so many ways! She has inspired me! - A. O'Brien

I am so impressed with Susan's depth and energy. I appreciate the super visioning she did with our board of directors. It changed the nature of the conversations and the tone and scope of what we'd been doing. So deep in the weeds we had been. - Rev. Neusom Holmes, Sr. Minister, Unity of the Triangle

Many people call themselves transformational coaches but they don't do the work. Susan has done the work and I admire her for that.
